WHY IS MEDINA COUNTY A GREAT PLACE FOR YOUR BUSINESS?

Our roots run deep in Medina County.

My wife of 23 years and I were born and raised here. H-Town Automotive is a family-owned and operated repair shop that cares about you and your vehicle. With more than 30 years of auto repair service experience, we understand the needs of our customers and treat them personally. With that understanding, we pride ourselves on providing our customers with honest advice and quality repairs on every vehicle. We've built our reputation on treating the customer right and making sure that our work on vehicles is done correctly the first time.

WHAT IS YOUR FAVORITE THING ABOUT HAVING A LOCATION IN MEDINA COUNTY?

You literally know everyone! When something tragic happens, you feel the love from every single person. When something great happens, you'll probably be in the local newspaper, which makes for a friendly living and working environment.

HOW MANY PEOPLE DO YOU EMPLOY?

When it comes to selecting an automotive service shop, we know you have a choice. We are a team of six true professionals. All of our employees have a passion for the automotive repair industry. We only hire the best personnel, train continuously, and keep-up with the latest industry technology and information.

HOW LONG HAVE YOU BEEN IN BUSINESS?

We've been in business for 13 years and we treat the safety of your family as if it were our own. We want to make our customers repair experience hassle-free , so we provide free shuttle service, vehicle pick-up and delivery. We are also open on Saturdays to better serve our customers.

**TELL US A FUN FACT OR SOMETHING PEOPLE MIGHT NOT KNOW ABOUT H-TOWN
AUTOMOTIVE & PERFORMANCE**

Our shop recently purchased the new state of the art Hunter HawkEye camera system alignment machine with a heavy duty four post 18lb alignment rack. This innovative equipment helps us accurately align today's complex steering systems.
