WHY IS MEDINA COUNTY A GREAT PLACE FOR YOUR BUSINESS?

Medina County has a lovely small town feel and a strong sense of community. The proximity to San Antonio also allows us to conduct business in a larger market.

WHAT IS YOUR FAVORITE THING ABOUT HAVING A LOCATION IN MEDINA COUNTY?

We've been able to form some terrific business relationships and our customers are like family. Many of our customers have been consistent for years and it's fun to see them grow over time.

DO YOU FEEL THAT MEDINA COUNTY OFFERS ENOUGH RESOURCES FOR YOUR BUSINESS TO SUCCEED?

Medina County has provided terrific resources - many of them coming within the last five years. We've been lucky enough to partner with a few of the newly opened businesses to complete projects. When we need to expand outside the county, we can easily find options in San Antonio.

HOW LONG HAVE YOU BEEN IN BUSINESS AND ARE YOU GROWING?

ZGRAFIXS began operations in 2006 all the way on the East Coast in New Jersey. In 2006, we relocated to the friendly confines of Devine, Texas and have been happy ever since! Recently, we acquired Shirts N' Stuff, a business that has been a staple in the Castroville community for quite some time. We're excited to carry on the legacy of Shirts N' Stuff, while also adding a sign shop and all the other services provided by ZGRAFIXS.

**TELL US A FUN FACT OR SOMETHING PEOPLE MIGHT NOT KNOW
ABOUT ZGRAFIXS**

ZGRAFIXS was actually started in a kitchen. Long before we had a store, ZGRAFIXS was solely an Internet business. In fact, 5,000 orders were shipped before we even decided to open a store. We started by making stickers and shipping on EBAY, but have grown and evolved with the support of the community ever since. Currently, we are working with the City of Devine to implement a new welcome sign.
