Why is Medina County a good place for your business?

We all know there's always demand for great coffee. Medina County is the perfect location for us because we are the only coffee roasting operation in the area. As the County continues to grow and flourish, we've seen both an increase in sales and a widening customer base. Our excitement both for the County and our business is at an all-time high as we look to the future.

What is your favorite thing about having a location in Medina County?

The people are the best thing about Medina County. Our customers are loyal and appreciative of our efforts to provide the best coffee possible. Local officials are always offering their support and when they aren't in meetings, you can surely find them enjoying a cup with us!

Do you feel that Medina County offers enough resources for your business to succeed?

Yes. It is difficult for local businesses to thrive without resources from the County. Additionally, Medina County fosters a positive environment across all local businesses. Most importantly though, our customer base has helped us find success. People love living in Medina County and we value the opportunity to put smiles on their faces each and every day.

Where do you see Octane in five years?

In addition to expanding store and coffee offerings, Octane is growing into more than just a coffee house. Our coffee roasting is starting to expand into the wholesale and retail markets. Over time, we hope to see Octane products in more shops and stores across Medina County.

Tell us something people might not know about Octane Coffee Haus?

You might be surprised to learn that we carry more than just tasty coffee and tea. Octane is also a great place to browse for women's perfume, hand creams, bath salts, local gift cards and much more. Come in and say hello!
